OFFICE OF PETITIONS

Dear Sir:

Applicant petitions the Commissioner under 37 C.F.R. §1.181(a) to withdraw the holding of abandonment for this application, because Applicant did not receive the "Notice to File Missing Parts of Application" allegedly mailed on October 19, 1998. A statement by the practitioner responsible for this application accompanies this petition.

Alternatively, in the event that the Commissioner is inclined to deny Applicant's petition to withdraw the holding of abandonment, Applicant asks the Commissioner to treat this as a petition to revive this application based on unintentional abandonment. Applicant's response to the "Notice to File Missing Parts," dated October 19, 1998, is included with this petition. The entire delay in filing the required reply from the due date for reply to the filing of this petition was unintentional.

Date of Deposit

I hereby certify under 37 C.F.R. 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231.[Signature]

This petition is being filed within two months of the date on the "Notice of Abandonment," a copy of which is enclosed. A check covering the fee for a petition to withdraw the holding of abandonment is enclosed. If the Commissioner decides to treat this as a petition under 37 C.F.R. §1.137(b) to revive based on unavoidable abandonment, please charge the required fees to deposit account 06-1050, reference 09060/075001. Please charge any other fees that may be due in connection with this application to this deposit account as well.

STATEMENT BY PRACTITIONER IN SUPPORT OF
PETITION TO WITHDRAW NOTICE OF ABANDONMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231
Attention: Box Missing Parts

Dear Sir:

John F. Land and John D. Cowart of Fish & Richardson P.C., 4225 Executive Square, Suite 1400, La Jolla, California 92037, are the attorneys responsible for this application. On July 16, 1999, Fish & Richardson received a "Notice of Abandonment" dated July 12, 1998. A copy of the "Notice of Abandonment" is attached as Exhibit 1.

The reason given for abandonment was failure to respond to a "Notice to File Missing Parts of Application" (the "Notice") allegedly mailed on October 19, 1998. According to a copy of the Notice that we recently received by facsimile from the Office, the Notice was mailed to John Land at the address above. A copy of the Notice is attached as Exhibit 2. A thorough search of our records indicates that we did not receive the Notice allegedly mailed by the Office.

Date of Deposit

September 19, 1999
I hereby certify under 37 C.F.R. 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231.

IOIPE SC189
JUN 14 2001
PATENT & TRADEMARK OFFICE

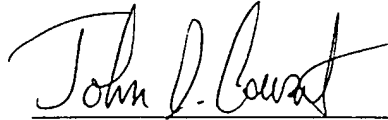

I have searched our file jacket and our docket records for evidence that we received the Notice. My search indicates that we did not receive the Notice. A copy of our docket record for this matter, marked with an arrow showing where the Notice would have been entered if it had been received, is attached as Exhibit 3.

Our internal docket number for this application is 09060/075001. The Notice incorrectly listed the attorney docket number as 09060/069001. Therefore, I also have searched our docket records for evidence that we received the Notice and recorded it under the incorrect docket number. This search also indicates that we did not receive the Notice. A copy of our docket records for docket number 09060/069001, marked with an arrow showing where the Notice would have been entered if it had been received, is attached as Exhibit 4.

On January 21, 1999, more than two months after the Notice was allegedly mailed, we returned the file jacket for our docket number 09060/069001 to our client at the client's request. As a result, I was not able to search that file jacket personally. Upon learning that Christopher J. Rourk of Akin, Gump, Strauss, Hauer & Feld, L.L.P., in Dallas, Texas, is the practitioner now responsible for that application, I contacted Mr. Rourk by telephone and asked him to search for the Notice in the file jacket. On July 28, 1999, Mr. Rourk informed me that he had searched the file jacket thoroughly and had not found any evidence that we received the Notice.

Respectfully submitted,
